INSTRUCTIONS FOR STUDENTS
ISCC REGIONAL CODING COMPETITIONS 2026

Please read and understand the following instructions carefully before starting the competition.

BEFORE YOU START

1. Ensure you have a **stable internet connection** before beginning the exam.
2. You must participate in **only one competition category**.
3. Do not use the same computer for multiple participants.

EXAM TIMING

- You have a maximum of **2 hours** to complete the exam.
- The exam has 2 rounds, 1 hour for each round.
- Once you click **"Start Round," the timer will start automatically**.
- The exam will automatically close when the allocated time expires.

EXAM PROCEDURE

1. Visit the **ISCC website** and log in to your **Student Dashboard**.
2. The exam for your registered category will be available on your dashboard.
3. Click **"Start Round"** to begin the exam.
4. **Once you skip a question, you cannot return to it.**
5. After attempting each question, click the **"Submit"** button. Questions that are not submitted may not be automatically recorded, resulting in a loss of points.
6. **No external support is allowed** during the competition.
7. No discussions or communication with other participants are allowed.

PROHIBITED ACTIONS

The following actions are strictly prohibited and may result in **flagging and disqualification**:

- Plagiarism or copying another participant's work
- Exiting full-screen mode
- Refreshing or closing the exam page
- Right-clicking
- Copying or pasting text
- Taking screenshots
- Using external resources or assistance

RESULTS
Results will be **automatically generated after the exam**.

IMPORTANT REMINDER
The exam timer will start at exactly 2:00pm for all participants. Make sure you are ready for the exam at least 30 minutes before the starting time.

Good luck to all participants!
